

## HOW TO ORDER YOUR NATIONAL SKIRT

If your child is in Primary up to Grade 5 Ballet, they will also be learning National dancing and therefore, will need a National skirt. From now on, you should order your National skirt from Dance Gear, instead of from Duo Dance (there are also a few National skirts left in the school second hand uniform sale which you could look at when we next hold a sale should you wish).

To order a new skirt from Dance Gear, please go to:

<https://www.dancegear.co.uk/customisable-character-skirt-cs.html>

**Colour:** Black

**Sizing:** The skirts are measured by waist and length in 2inch intervals (e.g. 20", 22", 24" etc). The waist needs to be measured around the line of the belly button (not the hips). The length should be measured from the belly button to mid-shin.

If you are in the middle of two sizes on the waist, we suggest going to the smaller size as the waist will be smaller when your child stands with correct dance posture. We also recommend going shorter on the length if they are between sizes, especially if they have an examination coming up.

*Please don't order bigger than your child needs as their teacher may tell you that you will have to order another one for them to take their examination that fits.*

Please ensure you place the ribbons in the correct order, as below . . .

**Top Ribbon Colour: Fuchsia**

**Middle Ribbon Colour: Pastel Pink**

**Bottom Ribbon Colour: Lilac**

We are very pleased to let you know that these new skirts from Dance Gear are quite a lot cheaper than the previous supplier. Skirts are £26.75 plus p&p.

If your child needs a bigger size than Dance Gear offers, Duo Dance will still be selling them and can now order on a skirt by skirt basis. The skirts from Duo Dance are £37.95.
