

PURPLE CATSUIT ORDERING INFORMATION

The uniform for girls in Grade 4-6 and Inter Foundation modern is a purple catsuit. If your daughter is already in these grades and needs a new catsuit, please use this information to order. It is important that your daughter's purple catsuit fits properly, is not faded and does not have any holes in it, so please check this NOW so that you can order one to arrive ready for next term.

If your daughter is taking her Grade 3 modern * examination in the next session, or is moving up to Grade 4 modern next term, you will need to order a purple catsuit for her examination and / or for her modern classes next term.

You can only order these specially made catsuits through the school. The reason they have to be specially made is to have higher back so a bra can be worn and the option of having a longer leg which many students need. **There will NOT be another chance to order catsuits before the forthcoming examinations or for classes next term, so we strongly advise that you order NOW ready for the examinations if you think your child will require a new one.**

We are very pleased to let you know that we have sourced a much cheaper supplier, hopefully making the catsuits more affordable for everyone. The new material is slightly different in shade so there will come a time that we need to ask everyone to move into the new catsuits, this is likely to be before our next Presentation of Classwork, planned for 2019.

Please refer to the size chart below and **measure your daughter carefully** before ordering as if you order the incorrect size, we will not be able to refund or exchange. Please note; the catsuits leg length can be short in comparison to the rest of the measurements. We can extend the leg length by 2 inches if your child needs '**longer leg**'.
