The uniform for girls in Grade 4-6 and Inter Foundation modern is a purple catsuit. If your daughter is already in these grades and needs a new catsuit, please use the information below to order. If your daughter is taking her Grade 3 modern examination in the forthcoming session, or is moving up to Grade 4 modern next term, you will need to order a purple catsuit for her examination and / or for her modern classes next term. It is important that your daughter's purple catsuit fits properly, is not faded and does not have any holes in it, so please check this NOW so that you can order one to arrive ready for next term.

You can pay for the catsuit (£61.00) by BACS or cash. If you choose to pay by BACS (**South London Dance Studios - sort code - 30 96 26 - account no. 31118460**) then please send an email to sldsupperschool@gmail.com confirming that you have made your payment and also letting me know the **catsuit size you require** for your child (please do NOT send all of your child's measurements). If you wish to pay by cash, you can drop the exact amount into the office in a clearly named envelope with your **child's name and catsuit size required** noted on the front.

You can only order these specially made catsuits through the school. The reason they have to be specially made is to have higher back so that a bra can be worn and the option of having a longer leg which some students need. **There will NOT be another chance to order catsuits before the forthcoming examinations or for classes next term, so we strongly advise that you order NOW if you know your daughter will require a new one.**

Please refer to the size chart below and measure your daughter carefully. Please note; in the past we have found that the catsuits seem to **come up very small** and if you order the incorrect size for your child we will unfortunately, not be able to refund or exchange so we advise you follow the largest of your child's measurements if they fall between sizes. Additionally, we advise your daughter tries on a friend's for size if possible before ordering.
