add £7 if you'd like your child's name to be printed down one arm. If you'd like this addition,

then please clearly write your child's first name only: .....

*Please note: we have found that the pink dye does transfer slightly onto the arms of the pink sweater making the arms very light pink after washing. We have found this to be barely noticeable but if you think this would bother you then, choose the black option. For both sweaters, we advise that you take care when washing and wash at a low temperature.*

If you have any queries please email [sldsupperschool@gmail.com](mailto:sldsupperschool@gmail.com)
