Additional T&C related to Covid-19 and any other infectious disease:

1. No refund will be provided in the instances below however, in the event of (i), (ii) or (iii), a live Zoom class would instead be provided;
 - (i) a student / designated supervisor within your 'bubble' has a suspected / confirmed case of Covid-19 (or any other infectious disease) and it becomes necessary for the whole 'bubble' to isolate and therefore classes do not operate
 - (ii) classes have to be cancelled because a teacher has to self-isolate and South London Dance School is unable to find a suitable cover teacher
 - (iii) a student is unable to attend classes because they have to self-isolate
 - (iv) your 'bubble' is not able to provide sufficient designated supervisors (parent / guardian volunteers) for a class (this applies only to those bubble groups which are required to have one parent / guardian volunteer in addition as paying their termly 'Corridor Support' fee); in this situation, a live Zoom class or a recorded class would be provided depending on which would be possible given the timeframe
 - (v) a student arrives after their class start time and is therefore not allowed into the studio building.
 - (vi) we are unable to operate classes in the studios due to government restrictions to limit the spread of Covid-19 (or any other infectious disease)
2. South London Dance School accepts no liability in the event that someone who has attended the studio premises contracts Covid-19 (or any other infectious disease). If you / your child or anyone else in your household has an underlying health condition which means they / you would be at higher risk of being severely ill if they / you were to contract Covid-19, or has to shield for any other reason, then at this stage, we do not recommend that you / your child attends dance classes as although we are mitigating risk as much as possible including implementing rigorous cleaning and social distancing, obviously you / your child will be inside with a number of people and there is still limited research about spread in indoor exercise environments.

4a. If you / your child has symptoms / suspected / confirmed case of Covid-19 (or any other infectious disease) then you agree to inform us immediately so that we can inform the rest of your 'bubble'. This also applies if a member of your child's family or someone with whom they have been in close contact has symptoms.

4b. You / your child must not attend classes if you / they have Covid-19 symptoms:

- high temperature – 38 degrees C and above
- persistent dry cough
- loss of / change to sense of taste / smell
- shortness of breath

This also applies if a member of the family or someone with whom they have been in close contact has symptoms, or if they have been advised by NHS Test & Trace as 'a close contact' to isolate at home.

4c. If you / your child develops any or all of the above Covid-19 symptoms while in the school, then you / they must notify the teacher and make arrangements to return home immediately.

Additional T&C for online dance classes:

1. Students participate in online dance classes at their own risk and SLDS takes no responsibility for any injury sustained.
If you are participating in a Zoom class at home when other students are in the studio, we advise that you take extra care in selecting which exercises are suitable for your environment in consideration of space and flooring for example, because the lesson content will be geared primarily towards those students who are dancing in the dance studio.
2. The Zoom class must be accessed by a parent / carer who should be visible on camera at the start of each class and thereafter, children should participate in online dance classes under a 'suitable' level of adult supervision (i.e. at the discretion of the parent / carer in consideration of the age of the child and bearing in mind that SLDS will not be able to act 'in loco-parentis').
3. Appropriate security and privacy settings should be set on your home internet and device.
4. Students should wear suitable dance clothing and footwear with hair properly tied back and no jewellery.
5. Please ensure you clear a safe space in which to dance. Move away any sharp or breakable objects and try to make flooring as suitable as possible. SLDS takes no responsibility for any injury sustained or damage to personal property.
6. The class is intended for only the student who is enrolled, not other family members / friends who may not be of the appropriate ability. Students should perform movements suggested by the teacher within the remit of own capability and should not attempt any movement which they don't fully understand or feel confident executing.

7. Any student with an existing injury participates at their own risk. We recommend that you follow medical advice with regard to suitability of the class content with reference to your particular injury. We should be advised about any existing injury at the start of each class the student attends.
8. We are not able to administer first-aid, therefore please ensure you make your own provision.
9. Whilst only those students who are enrolled in our live online classes will be given access to participate, SLDS take no responsibility for any security / privacy / breach of data issues which may arise through use of Zoom or any other online platform.
10. If a technological issue from our side or your side results in you / your child missing or being late for a class, unfortunately, we will not be able to offer refunds / transfer fees, or offer make-up classes.
11. Film footage or photographs of your class may not be posted on your own social media or shared unless the image is of ONLY you / your own child and the teacher.
12. In accordance with clause 28 of SLDS Terms and Conditions, we may use still and moving images of you / your child participating in an online dance class for marketing purposes which may include usage on social media.
