

SLDS SECOND HAND UNIFORM SALE (updated June 2024)

raising funds towards costumes in our next show

- Come along to our second-hand uniform sales to buy items that your child needs now or may need in future.
- We hold one sale per year – usually on the last Sunday before the start of autumn term.
- Sales are cash only and there is usually no change available.
- Second-hand items are significantly cheaper than new and a price list will be displayed at the sale.
- We advise you bring a copy of your invoice to the sale with you, so that you can be sure of which level of class your child is enrolled.
- Unfortunately, due to a lack of volunteers, the parents who kindly operate the sales are not able to fulfil any ad hoc requests for items at any time other than at the sales.

If you have items to sell then please leave them in the plastic boxes in the upstairs waiting room. Please ensure all items are washed and in good condition (we will donate to a local charity shop any items that we feel are too dirty, worn, faded or non-regulation). Your donations mean that current and future families can benefit from lower cost uniform items, not to mention the environmental benefit of reduction in waste and production. Also, the shared deduction to costume costs is always gratefully received by families at our show.

For **higher value items**, 50% of proceeds will go to our show costume fund and 50% can be repaid to you if you wish.

Please note that this 50/50 split can ONLY apply to the items listed below and no other items (all other items will be treated as donations and 100% of their sale proceed will go to our costume fund). If you would like 50% of the proceed to be returned to you then please ensure your items are clearly tagged **using the selling tickets on the next page**.

The ONLY items which will be accepted on this basis and the prices that we can sell these items are as follows:

- **National skirts (second hand selling price - £22)**
- **Girls National shoes (second hand selling price - £17)**
- **Boys National shoes (second hand selling price - £15)**
- **Katz buckle bar tap shoes and Bloch Velcro tap shoes with teletone taps (for Girls in Grade 1 & 2 tap) (second hand selling price - £20)**
- **Capezio / Bloch / other leather lace up tap shoe which is suitable for Grade 3 plus tap (second hand selling price - £35 for adult sizes (i.e. size 3 plus) / £25 for children's sizes (i.e. size 2 & below))**
- **Pink biketard (second hand selling price - £15)**
- **Black / Purple catsuit (second hand selling price - £20)**

Please print and cut out the tickets below to label **ONLY** your higher value items.
